

BBB-SYMPOSIUM

BLOOD-BRAIN-BARRIER SYMPOSIUM 2019

September 11th – 13th, 2019
in Würzburg, Germany

Up to 200 participants are expected. Scientific sessions including two poster sessions, extensive breaks and two evening events will offer many opportunities for exciting discussions, academic exchange and reconnecting with old friends and colleagues. Since promotion of young scientists is a particular aim of this conference, a significant number of speakers will be selected from the best abstracts submitted from young scientists.

The program will be completed by invited keynote lectures to present the international points of reference for this fast growing research field and latest developments in important areas of blood-brain barriers research including:

- Brain Barriers in Development and Homeostasis
- Novel Concepts in Drug Delivery Across the Brain Barriers
- In vitro Modeling and 3Rs
- Novel Approaches in Engineering Brain Barriers
- Molecular Mechanisms Regulating Barrier Integrity
- Pathology of the Brain Barriers – Clinical Aspects
- Lifestyle, Diet and the Barriers
- Role of BBB in Infection

**COME ON BOARD AS AN EXHIBITOR AND/OR SPONSOR,
INCREASE EXPOSURE, AND EVEN BUILD RELATIONSHIPS!**

Organized by

*International Committee of Symposium on Signal Transduction at the Blood-Brain Barriers
Fraunhofer Institute for Silicate Research ISC Würzburg
University Hospital Würzburg
AIT Austrian Institute of Technology*

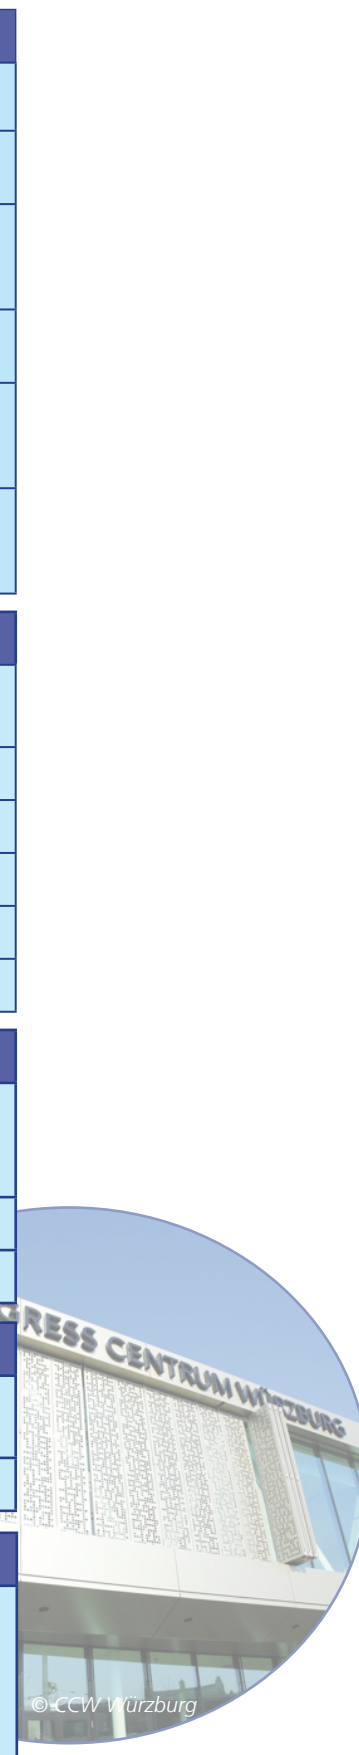

Sponsorship Opportunities	€
For additional or individual opportunities please contact us directly.	
Package 1 Company logo only on webpage, flyer and social media	300
Package 2 Package 1 + hand out products and own information material into the conference bag without promotion desk	500
Package 3 Package 1 + Company promotion movie or slide for session breaks	500
Package 4 Promotion area (approx. 4 m ²) at conference venue (registration fee for one person included)	1,000
Package 5 Includes Package 1, 2 and promotion area (approx. 4 m ²) at conference venue (registration fee for one person included)	1,500

Symposium Materials (own production)	€
All delegates will receive the materials below. You can provide your own advertising material.	
Lanyards	300
Folders	300
Notepads	300
Pencils	300
Conference bags	300

Catering	€
During the conference, multiple coffee breaks as well as lunch breaks will be offered to the conference delegates. Your sponsorship will be acknowledged on-site (table menus, roll-up posters).	
Lunch break	1,500
Coffee break	1,500

Wi-Fi	€
Provide Wi-Fi for all conference delegates. The password will be named after your company name and/or products.	
Wi-Fi	500

Young Scientists Award	€
Young scientists can apply for grants e.g. travel. The Scientific Committee will select as many grantees as financial conditions allow. The best oral and poster presentations by young scientists will be awarded with cash grants and certificates. Applicants should not be older than 35 years of age. Sponsors will be acknowledged in the certificate and on the congress website.	sponsors' discretion
